**To attend the 2019 NASCUS Credit Union Executive Forum
July 10th in SeaTac, Washington
8:30 a.m. – 3:30 p.m.**

Department of Financial Institutions (DFI) and the National Association of State Credit Union Supervisors (NASCUS) invite you to an event that will address some of the top challenges confronting credit unions at the 2019 NASCUS Credit Union Executive Forum in SeaTac. The event will be held at the Northwest Credit Union Association (NWCUA) office building.

The Credit Union Executive Forum is an opportunity for state credit union executives and board members to come together to engage in an important dialogue on several areas that will shape the future of credit unions in Washington. Discussion topics include national and regional issues affecting credit unions, a regulator panel, and a high level discussion on Board Governance and diversity. The program agenda can be viewed here: <http://www.event.com/events/nascus-washington-executive-forum/agenda-2c3302c5d45c4b71a6bc944ff395f28c.aspx>
